Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Production Company allowed prepping on the perimeter of Woodley Wright Field on June 17, 2011 from 7am-3pm.**
- **Production Company must watch for sprinkler heads and valce boxes in the grass while off loading dirt.**
- **Production Company is allowed to cover sprinkler heads for pitcher's mound.**
- **Okay for Production Company to place freestanding bleachers on the field June 20, 2011 & June 21, 2011, but must place them on the perimeter until then.**
- **Production Company is allowed to remove rope and posts from the cricket Wicket field but backdrop filming purposes, but is not allowed to prep or use that area.**
- **Production Company must replace rope and posts when wrapping on June 22, 2011 from 7am-3pm.**
- **Production Company is allowed to use gypsum to chalk lines on the grass.**
- **Production Company is allowed to bring in 4 yards of top soil on the grass at the oval cricket field to create a baseball diamond with a backstop.**
- **Okay to drive a crew cab, the equivalent to a ¾ ton pickup truck, on the grass to drop the top soil dirt.**
- **Okay for the erection of a temporary fence placed on the grass to be secured with 2 foot poles.**
- **Production Company must tamp and pack holes once poles are removed.**
-

NO PERMIT

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
6/17/2011

- **Production Company allowed to leave props on the perimeter of Woodley Wright Field over the weekend under the supervision of their security.**
- **Production Company is not allowed to park any crew or equipment vehicles in any of the Woodley lots over the weekend.**
- **Production Company allowed to film at Woodley Wright Field on June 20, 2011 from 3am-9pm and June 21, 2011 from 5:30am-9pm.**
- **Production Company allowed to base camp in Woodley Lot 2 and crew park in Woodley Lot 3 on June 20, 2011 & June 21, 2011.**
- **Production Company must leave a minimum of 15 spaces in both lots available for park patrons.**
- **Production Company is not allowed to park in Handicap spaces without a placard.**
- **Production Company is allowed to either move dumpsters on the road leading to Lot 3 further down the road and out of the way of filming, or convert the road leading to Lot 3 as a one way inlet with LAPD.**
- **Cannot impede park patrons from park activities.**
- **Production Company may do up to 2 minute pedestrian control.**
- **Cannot interfere, prevent, or clear park patrons from the location of filming.**
- **Production Company does not have permission to remove or move existing landscape.**
- **Production Company is not allowed to add landscape unless approved.**
- **May not drive on any park service road or grassy areas unless approved.**
- **Must work around maintenance activities.**
- **All equipment must be handheld only.**
- **May not block entrance or exits.**
- **Patrons have the right of way at all times.**
- **Production Company does not have exclusive use of any part of the park at any time.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.

NOT A PERMIT

- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitted and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitted will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitted there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
